2.0L MIVEC Engine (4B11)

ASX's 2.0-liter powerhouse uses a lightweight aluminum block for optimum performance as it puts out 150PS to take control of city streets and open highways alike. MIVEC (Mitsubishi Innovative Valve timing Electronic Control) technology provides optimal valve timing at both low and high rev ranges, to give the most of every curve and straightaway out there.

Maximum Power
150PS
6,000rpm

Maximum Torque
197N-m
4,200rpm

Lightweight Aluminum Block

Mitsubishi Innovative Valve timing Electronic Control system (MIVEC) is an exclusive technology that adjusts the timing of the intake camshaft for optimal performance across the rev range. At low ranges, MIVEC provides on-demand acceleration for quicker starts, while higher ranges receive an impressive boost of power.

New! INVECS-III CVT with 6-Speed Sportronic Mode

Continuously Variable Transmission (CVT): an automatic transmission that's quiet, efficient, and eliminates the harshness and power lag of traditional gear changes. Furthermore, INVECS-III can monitor road and driving conditions to automatically determine timing and observe behavior to create an intelligent profile that anticipates your every move.

Tiptronic Paddle Shifters

A racing inspired paddle-shift system mounted onto the steering column. They provide the thrill of total control without taking your attention from the road ahead.

Chrome Tailpipe Finisher

• 4-Wheel Independent Suspension
• 4-Wheel Disc Brakes

High Hip Point and Good Visibility

High Vantage Point

ASX provides an elevated seat position that, with the sloping hood design, gives a better view of the road for easier maneuvering and greater safety. The raised hip point also allows for smoother entrances and exits.

384 Liters of Available Cargo Capacity

- Rear Wiper with Washer
- Roof Mounted Antenna
- Rear Window Defogger with Timer
- Reverse Camera (Dealer Option)

On Quality:
We seek excellence in our products and services and recognize that customer satisfaction is the essence of our mission.
